We use several online professional labs. For online presence, images are uploaded to Smugmug.com or Pictage.com. On line you can view your images, select your print size and order high-quality professional prints

directly from either lab. Share your memories with your family and friends by directing them to pbachelor.smugmug.com or www.pictage.com where they too can choose their favorite photographs. Both labs offer secure, convenient, online ordering.

All photography assignments require nonrefundable retainer to secure date. Booking goes to first retainer received. A contract is created tailored to the specific needs of the client.
